

COM S 309

TEAM: UG_05 REDPEN

Backend API: By Carter Moseley and Christian Lisle

Backend classes Carter wrote API for:

- Parent
- PTInbox
- PTMessages
- STInbox
- STMessages
- Teacher
- TeacherCourse

Backend classes Christian wrote API for:

- AssignedAssignment
- Assignment
- Course
- CourseRegistration
- Student

*There is a .MHTML file in the documents folder that also shows the backend api. This .MHTML is called "UG_05 Backend Swagger UI"
